PROGRAMA DE PÓS-GRADUAÇÃO EM ARTES

## **OPEN CALL FOR POST-DOCTORATE IN ARTS SCHOLARSHIP**

### GENERAL INFORMATION

The Arts Graduate Program of the Universidade Federal do Ceará (Federal University of Ceará - PPGArtes ICA|UFC) makes public the opening of the registration period for 01 (one) scholarship opportunity for post-doctoral level researchers in arts (including visual arts, film, dance, theater, media art or other media). The program will accept registrations from Brazilians and foreigners living in Brazil or abroad. In case the degree has been issued abroad and not yet re-validated in Brazil, it will be necessary to pass the degree through a process of simple analysis done by the PPGArtes ICA|UFC. Foreign applicants living abroad must submit sufficient proof of their home address abroad together with their applications. The scholarship period may vary from one to five years. The registration period ends on November 20, 2014. For the registration, the applicants must submit a registration request (in letter form), their research project, a copy of their doctorate degree, and their resume. A resume model for foreigners is available at our website.
